

### REMARKS

The June 13, 2008, Notice of Non-Compliant Amendment noted that each claim did not provide the proper status identifier. Applicants have corrected this error by resubmitting the claim listing with the appropriate status identifiers. Applicants further note that the "Status of the Claims" section of Applicants' response filed on May 6, 2008, contained a typographical error in that it indicated that claim 60 had been canceled, whereas the listing of the claims showed the status of claim 60 as "Previously Presented." Thus, Applicants would like to clarify that claim 60 has not been canceled. Accordingly, claims 34, 39-40, 42, 45, 48, 54, 58-60, 63, 67-69, 71-73, and 75-76 are now pending with claims 42, 45, 54, 58-59, 63, 67-69, 71, and 75 withdrawn from consideration.

Should the Examiner have any questions or comments relating to this case, the Examiner is invited to contact the undersigned attorney at (512) 536-5654.

Respectfully submitted,
